DETAILED ACTION

Allowable Subject Matter

1. Claims 1-5, 7-16 and 18-25, renumbered as 1-23 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of the record fails to anticipate or fairly suggest, reference picture selection including; acquiring a current picture, a first reference picture and a second reference picture, performing a global motion estimation process on the current picture and the first reference picture to generate a measurement of inter-picture motion between the current picture and the first reference picture, generating a control signal in response to the measurement of inter-picture motion between the current picture and the first reference picture and a threshold, and selecting either the first reference picture or the second reference picture as a better reference picture for subsequent motion estimation and compensation, along with all other limitations as recited in independent claims 1, 12 (renumbered as 11) and 13 (renumbered as 12).

Claims 2-5, 7-11, 14-16 and 18-25, renumbered as 2-10 and 13-23 are allowed by virtue of their dependency to allowable independent claims 1, 12 (renumbered as 11) and 13 (renumbered as 12).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
